JAMBOREE

International Cultural Jamboree will be held 21–27 December 2022 at Alva's Education institution Moodabidri, Dakshina Kannada, Karnataka State, an International Cultural Jamboree is the part of the Scout Movement, the theme of this Jamboree is Culture for Youth Solidarity, typically attended by fifty thousands of Scout and Guide, Rovers Rangers from 17 countries

The purpose of the International Cultural Jamboree is to encourage youth to live in harmony with one another. Introducing them to numerous concepts and ideals from various cultures, traditions, and helps young people acquire knowledge and abilities. Additionally, it tries to increase young people's tolerance for social and cultural differences. The Cultural Jamboree will be filled with a tonne of fun, interesting, and difficult events that will make it an utterly unforgettable experience.

According to the Jamboree schedules, there will be a tonne of cultural activities at the Jamboree that Scouts and Guides can enjoy.[6] The student's experiences in this jamboree is like art exhibitions, book exhibitions, science exhibitions, agriculture exhibitions, horticulture shows, food exhibitions, traditional games, yoga and meditation, day hikes, all faith valley, the jungle trail, challenge valley and fun bases, scout exhibitions, and a lot more.

CULTURAL

Alva's Education Foundation believes in creating strong cultural identity for its students through a wide variety of activities. In jamboree there cultural evenings with comprise of classical music and variety of folk dance . A number of national and international artistes are invited for performing some wonderful songs from both classical and folk. The classic dance and music provides a good ambience to the whole program.

BOOK MELA

- The BOOK MELA in which there were thousands of books were kept for exhibition . the book relates from a child to old people. The book were well catergorised and arranged in a good manner. based on there categories which is well and easy for people to go through there interest easily to find there books which they want.

ART MELA

- The ART MELA were artist from different places came here to show there skill in the form of the ART. Many artist created a wonderful colouful arts of different themes which are related to our present society . and also they did the art work of some great people which did some good things to the society were all these paintings and art collection was put for exhibition during the time of jamboree.....

SCIENCE MELA

The SCIENCE MELA which so many bright minds took part in this science mela . Students from different places and schools and colleges came here to exhibit there ideas in this science mela. Students from primary to degree were participated in it by making a model of there own and have some documentation for those and they need to present there ideas to the judges and people who come there. It was like a competition based on there ideas and presentation judges provide marks and choose the winners.

THANK YOU
